

SAFETY WEAR

SJ 61 Six-in-One Four Seasons Reversible Safety Jacket

3M Scotchlite™
Reflective Material

- a. Shell Fabric : 100% polyester waterproof oxford with breathable PU coating, in fluorescent yellow colour.
- b. Lining Fabric : 100% polyester oxford with breathable PU coating , in black solid colour.
- c. Reflective materials : 3M™ Scotchlite™ reflective tape.
- d. Zipper : YKK zippers used on central front.
- e. Combination of outer parka and inner insulated jacket, which could be either worn alone, or zipper altogether to be a double, reversible combo.
- f. Outer parka styling :
 - * Snap central front fly over a YKK zip-to-the-neck zipper with webbing puller.
 - * Attached hood rolls into zippered collar.
 - * Underarm pit zipper, right from mid of under sleeve to body bottom, along side seams.
 - * Bungy cord and plastic toggle hidden inside body bottom to cinch the waist designed outside pockets with Velcro storm flaps.
 - * Small chest pocket with Velco flap and metal eyelets patch;
 - * Clear plastic ID pouch.
 - * 1 zippered inside pocket and 1 velcroed inside pocket.
 - * Snap-buttoned cuff hem to provide weather protection.
 - * All zippers attach webbing puller for easy pulling up and down.
 - * Mirco phone holders (Belt loops).
- g. Inner insulated jacket styling :
 - * Zip-off sleeves, transforming jacket into a vest.
 - * Reversible YKK zipper on central front, making this jacket to be reversible.
 - * Side slant pocket with zippers on shell and reverse sides.
 - * Zippered side seams.
 - * Adjustable cuff hem with Velco and elastic to provide weather protection.
 - * Polyester filling against cold air.
 - * All zippers attach webbing puller for easy pulling up and down
- h. This product complies with CAN/CSA Z96-02 Class 2 Level 2 ANSI/ISEA 107-2004 Class 2 Level 2 for either outer parka or inner insulated jacket with sleeves. Complies with CAN/CSA Z96-02 Class 2 Level 2, ANSI/ISEA 107-2004 Class 2 Level 2 if inner jacket's sleeves are zipped off and is tranformed into a vest.
